

David Fudge

After an exhausting career in the Royal Air Force, I decided to escape to the Forest of Dean for a taste of routine and normality.

Four years later I haven't got a routine and am still looking for normality! I busy myself these days as a Volunteer Instructor at the Christian Adventure Centre at Viney Hill and offering my assistance to the military as a Reservist Advisor. I love to explore and relax in the Forest; be that on bike, foot or canoe, recharging my spiritual batteries as I go. I awoke one day last year as one of the Churchwardens here at Christchurch (not sure how that happened), and when time and Covid allows, play Sax and Bass Guitar with the worship band at Bream.
