

## **Keith and Agnes Wallis**

We both enjoy worshipping at Christchurch and have been made to feel very welcome in this friendly Church.

We co-ordinate Open the Book, an organisation which tells Bible Stories, using simple drama, to two local primary schools.

We enjoy cooking, reading, pottery, knitting/cross stitch, music, gardening, and when we get time we go on holiday!

We are Officers in The Salvation Army and after 23 years of active service have come back to the beautiful Forest of Dean to retire and feel honoured to lead/preach here at Christchurch on a regular basis. What a privilege.
