

Sandie Bradley

I'd like to claim that I grew up in a little village near Basingstoke in Hampshire - but many would say I have still to grow up!

I moved to the Forest of Dean in 1985 with my husband Brian and two daughters. They say new house, new baby so our son was born here 3 $\frac{1}{2}$ years later. They all had the delight of living in our old Forester's cottage in amongst the trees near Worrall Hill - where Brian and I still live.

I seem to wear several hats within the church including: Pastoral Assistant, Worship Leader, Play Morning Helper and Messy Church leader. I love this involvement within our wonderful church family.

Other things that give me great pleasure in my life are my family - including that special joy of having two granddaughters, my part-time work tutoring primary school aged children, being a member of the drama group Lydbrook Players and last but not least: my dog.

Belonging to God's family is an important aspect of my life and knowing he is there for me is so reassuring.
